e-NEWSLETTER OF MEMON MEDICAL INSTITUTE HOSPITAL

January - March | 2016

**Memon Medical
Institute Hospital**

A Project of Memon Medical Health & Education Foundation

Second Lab Collection Point at Alamgir Road

Memon Medical Institute Hospital has launched the Second Lab Collection Point at Alamgir Road, Bahadurabad (National College Roundabout). The inauguration ceremony was held on Tuesday 8th December, 2015 at the lab collection point, Chief Guest Mr. Siddiq Dharki and Mr. Shoaib Mangrora cut the ribbon to formally inaugurate the services of the center for the general public. The ceremony was attended by Mr. Peer M. Diwan, Mr. Abdul Razak Diwan, Mr. Ajaz Saya, Mr. Sohail Habib, Trustees of MHEF and many other distinguished guests. Mr. P. M. Diwan recalled the history of MMIH and shared his vision for opening more lab collection points.

MMIH is developing a network of Lab Collection Points in different localities of the city with the primary objective to serve the local residents with world class lab services within their reach with quality online reporting, professional and courteous public dealing and remarkable ambiance.

Winner of CSR Award 2016 For Best Healthcare Services

**Congratulations
To all our Friends & Well-Wishers**

A warm welcome to MMIH's New CEO, Mr. Sohail Habib

Mr. Sohail has over 25 years of healthcare experience from the Aga Khan University Hospital where he was involved in various areas of hospital administration. He has also been involved in quality improvement, patient centered initiatives and process reengineering on a regular basis. He holds an MBA from Pepperdine University and a BS from Syracuse University. A supporter in promoting innovation, he believes that the status quo must be challenged.

Cricketer Shahid Afridi, Captain of National T20 Team visited Memon Medical Institute Hospital

Cricketer Shahid Afridi, Captain of Pakistan's National T20 Team visited Memon Medical Institute Hospital (MMIH) on October 3, 2015. He was welcomed by Mr. Sohail Habib CEO – MMIH, Dr. Rizwan Azami – Medical Director and other hospital's officials. Shahid Afridi visited different wards and observed the Paediatric & Neonatal departments. He met paediatric patients and spent time with them.

Mr. Asif Ismail Mangroria – Trustee of Memon Health & Education Foundation, addressed the ceremony and stressed the importance of value-added technology. He also assured assistance and collaboration in future with Shahid Afridi Foundation (SAF).

The leading consultants from various clinical faculties at MMIH have provided valuable opinions to Mr. Shahid Afridi for the betterment of SAF.

A delegation from Novartis Pharma visited Memon Medical Institute Hospital (MMIH) on October 29, 2015

The delegation comprised of Mr. Nick Wang (Operation Head Asia Cluster Singapore), Mr. Shahid Iqbal (Key Accounts Manager, Pakistan), Mr. Akhtar Hasan & Mr. Rashid Khan (Novartis-Pakistan). Memon Medical Institute Hospital was represented by Mr. Abdul Razak Diwan, Mr. Sohail Habib, Dr. Rizwan Azami, Mr. Hanif Baig and Mr. M. Yaseen.

The table discussions followed a quick tour of the entire hospital. The discussion centered around the high local cost of certain drug and the immense need of the population that could not afford treatment.

The delegation head Mr. Nick Wang gave very appreciative comments about Memon Medical Institute Hospital, he was of the opinion that this was one of the few top-notch facilities he had experienced following his travels through Korea, Vietnam, Thailand and Malaysia.

Quote on Importance of a Healthy Life

Steve Jobs' Last Words - What is the most expensive bed in the world? - "Sick bed"... You can employ someone to drive the car for you, make money for you but you cannot have someone to bear the sickness for you. Material things lost can be found. But there is one thing that can never be found when it is lost – "Life".

Steve Jobs, founder of Apple Computers & one of the most successful entrepreneur who died of pancreatic cancer at a very young age.

Universal Children's Day Celebrated at MMI Hospital

Memon Medical Institute Hospital celebrated Universal Children's Day and organized a public awareness seminar "COMMON CHILDHOOD ILLNESS". Senior paediatric consultants delivered presentations on child health and replied to the questions of the audience and provided useful tips and information about common childhood illness. During the event, special entertainment activities were also arranged for children that included magic show, face painting, etc. The event was attended by large number of people from different walks of life and was greatly appreciated.

An Overwhelming Response – Masala Family Festival MMHI's Free Medical Stall – Expo Centre, Karachi

Memon Medical Institute Hospital participated in Masala Family Festival Exhibition on 13th and 14th February, 2016 at Expo Centre, Karachi. We had the most prominent spot for our stall in Hall – 1, allured by a massive number of people. MMHI offered a range of free healthcare services including Free Blood Group Identification and Body Mass Index. Furthermore, information booklets and tips on healthcare were distributed during the festival as well. More than 700 people were engrossed and benefited from our free medical camp.

This initiative of the health camp is yet another example of our endeavor to play an active and meaningful role in the community and to create better understanding about health among the people. MMHI activities and the nutritional advice given by the clinical experts have a tremendous impact on the lives of the citizens which help them in pursuing a healthy lifestyle.

Patient Satisfaction – Working Session

In healthcare sector, there is nothing important than patient satisfaction. Our employees play a crucial role in providing the services to the patients and to attain their satisfaction.

The department of Quality Assurance in collaboration with Marketing Department organized a working session 'Patient Satisfaction', with the primary objective of improving our performance through staff training and to develop their skills of consultation for quality services to the patients. The Chief Guest of the workshop was Mr. Sohail Habib, CEO MMHI who was also the member of the jury along with Dr. Rizwan Azami and Mr. Suleman Memon.

This interactive session provided an opportunity for the employees to submit their opinions in building the patient centric policy which is fundamental for patient satisfaction. The employees enthusiastically participated in the activities, shared their experiences, opinions regarding patient's behaviors and submitted their suggestions. In this proactive session, a small competition of group presentation was also conducted to share their opinions and suggestions.

Plastic Surgery Camp – Complete Free Package (Cleft Lip & Palate Cases)

MMIH Hospital has extended Plastic Surgery Camp (PSC 2015). The project has been initiated by Mr. Ajaz Saya, Managing Trustee and Chairman of Hospital Management Board with the aim to provide free plastic surgery to the cleft lip and palate patients, who generally belongs to the vulnerable part of the society. In 2015, hundred patients were provided with the complete surgery. The package includes pre & post OPD visit, laboratory tests, surgery with complete patient hospitalization and medicines. The surgeries were performed by the prominent plastic surgeons. Due to the effectiveness of the camp, it is our ongoing project for this calendar as well.

Before Surgery & After Surgery

Before Surgery & After Surgery

MMIH signed MOU with IBA & Habib University

MMIH has signed MOU with Habib University and IBA. We are privileged to serve the employees of these remarkable educational institutions through quality healthcare services.

Habib University selected and also sponsored MMIH Executive Health checkup for their employees. A comprehensive and swift health screening packages are given which enables the individual to evaluate their health status. This will increase the awareness among the employees about their health status and also enhance the productivity of the employees.

Habib University has also setup a glorious example for other companies. They are not only supporting health sponsorships during emergency but also providing health checkups, which is pivotal to assess their health status.
