Annual Shariah Review Report

For the year ended June 2021

Memon Health & Education Foundation – MHEF is a not for profit organization which was established in year 2002. Memon Medical Institute Hospital (MMI Hospital) is a project of Memon Health & Education Foundation (MHEF) and providing quality healthcare services to the deserving patients since 2010. The mission is to provide accessible and affordable quality healthcare and health education to all.

Hospital financial needs are being covered by general donations & Zakat that individuals and corporate donors contribute towards. MHEF formulated a transparent process of distribution of the Zakat by assessing each patient's case as per the Shariah Guidelines. Alhamd Shariah Advisory Services (Pvt.) Limited has been appointed as an independent Shariah Advisor to review all Zakat related documents and procedures.

In the capacity of Shariah Advisor, we reviewed the procedures adopted by MHEF for collection and utilization of Zakat for the year ended 30th June, 2021. Based on our review, we hereby confirm that MHEF collects and consumes Zakat funds as per Shariah rules and regulations. It is also confirmed that whosoever will give Zakat to this organization; his/her Zakat will be paid as per Shariah.

May Allah Almighty forgive any mistake in this assignment and grant the management best reward for their services. Aameen
