## Annual Shariah Review Report

For the year ended June 2024

Memon Health & Education Foundation (MHEF) is a not-for-profit organization established in the year 2002. Memon Medical Institute Hospital (MMI Hospital) is a project of MHEF, providing quality healthcare services to deserving patients since 2010. The mission is to provide accessible and affordable quality healthcare and health education to all.

Hospital financial needs are covered by general donations and ZAKAT funds, contributed by individuals and corporate donors. MHEF has established a transparent process for distributing Zakat funds by assessing each patient's case according to Shariah Guidelines.

In our capacity as a Shariah Advisor, We have reviewed the procedures adopted by MHEF for the collection and utilization of Zakat for the year ending on June 30, 2024. Based on our review, we hereby confirm that MHEF collects and utilizes Zakat funds in accordance with Shariah rules and regulations. It is also confirmed that anyone who gives Zakat to this organization will have their Zakat paid according to Shariah.

May Allah Almighty forgive any mistake in this assignment and grant the management best reward for their services. Aameen
